6 Best Debt Collection Services in the UK

(/6-Best-Debt-Collection-Services-in-the-UK)

Using a debt collection service can be an easy way to shift the burden of dealing with your business' finances. Whether this is due to a lack of time, experience or resources – using a debt collection service can be easy and efficient and perhaps get you better results than using your existing methods. We take a look at six of the best debt collection services in the UK below. For a more detailed search, fill out the form above and Expert Market UK will search online for the best collection agencies for your business needs.

6 of the Best

1. Wescot

Wescot describe themselves as one of the leading debt collection agencies in the UK, offering a fair and ethical approach to debtors whilst ensuring results for creditors. Wescot's main interests are in the banking, retail, utility and telecoms industries and they have a wealth of experience providing collection services in these areas. Dealing with over 5 million account holders each year, they can offer a range of services to businesses including debt recovery, debt purchase as well as locate services which can be crucial for recovering difficult debts.

Whether you're looking for solutions for one-off collections or to completely outsource your credit management, Wescot have the expertise and experience to do so. Their dedicated team will meet with you to discuss your business needs and ensure that the most suitable options for your company are used. Wescot have a large customer services team who have trained, friendly staff on board to help you with any problems you may encounter with the service.

Quotations for services can be obtained from Wescot directly.

2. DLC

DLC are one of the largest privately owned debt collection services in the UK. They offer a range of collection services to businesses and organisations which includes debt purchase, outsourced collections, litigation as well as tracing. DLC are extremely professional and work with each individual client to ensure that the best options for their needs are met. They place a high emphasis on training their staff to ensure that they can deliver the best results to clients and provide a reassuring service that ensures great results and returns.

From individuals such as landlords through to larger companies, DLC has experience in catering for a range of business needs. They have received accreditation from a number of respected credit and trading standards organisations which can help reassure clients of their professionalism. A great collection company which aims to help both clients recover debts successfully as well as ensure fairness for debtors, DLC is a great UK based company.
